

Protein communities, Dressler 2024

vertices: n = 1012, edges: n = 41632

- Transcription
- Glycolysis, signaling
- ECM, development
- Metabolism, epithelium
- Immunity

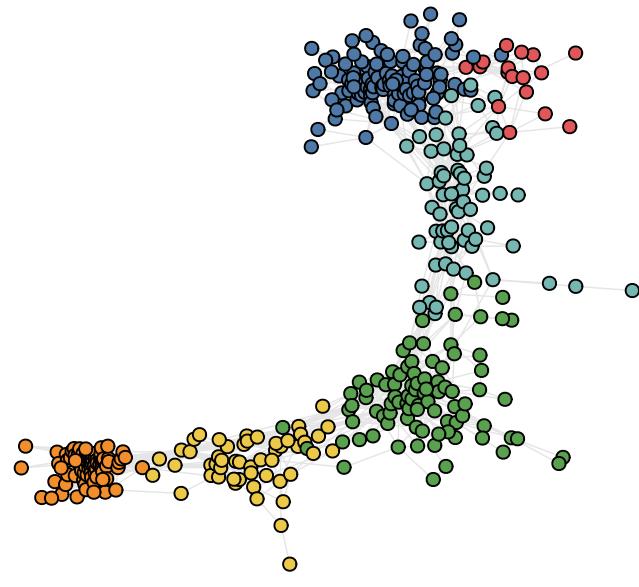

Communities, differential regulation, Dressler 2024

- #1
- #2
- #3

Protein communities, Strogilos 2020

vertices: n = 420, edges: n = 2904

- Epithelium, squamous
- RNA
- ECM, development
- Transcription, translation
- Metabolism
- Immunity

Communities, differential regulation, Strogilos 2020
